

# I am a care volunteer, This is how I help:

## Engaging with siblings and guests-in-care:

- Sitting with a child
- Reading a story
- Pushing a child in a pram or a wheelchair
- Nursing a child
- Playing games with a guest
- Doing crafts and activities with siblings

## When the house is quiet I:

- Restock the store room
- Wipe down furniture
- Re-organise toys
- Dust and organise book shelves
- Prepare activities for children

## I assist care staff with (but never on my own):

- Personal care
- Transferring
- Showers/ baths
- Getting children into bed

## Things I need to know:

- Type of admission
- Important handover details (medical, social, likes and dislikes)
- Who are the people staying or visiting with the child
